OFFICIALS IN SCHOOLS

Athletics Victoria can coordinate and provide IAAF accredited Victorian Officials for your school's next athletics competition. Victorian Officials are available for school track and field, out of stadia and, provide specialist photo finish operators.

Victorian officials are Athletics Victoria registered, hold Working with Children Checks and are both highly qualified and experienced.

The rules of competition can be modified for your particular standard of competition. Our officials are flexible and will adapt to your athletics meet requirements.

To book Victorian Officials, simply complete and return the application form at least 15 business days prior to your competition. Whilst every effort will be made to fulfill requests, applications after this cut off will not be guaranteed, and will attract a \$100 penalty fee.

For more information please contact Craig Morrow (officials@athsvic.org.au or call (03) 8646 4500).

Visit the Athletics Victoria website for more details on the Officials in School program.
