

**Home Venue: Aberfeldie (Yellow & Red), Home Venue: Casey Fields (Blue and White)**

Please Note: The following athletes have had bibs posted either individually to a home address or collected by a club representative/Team Manager during the XCR'18 season. Please contact your club representative if you are on the list but haven't yet received your bibs.

If your name does **NOT** appear on this list below, bibs will be available at the AV Shield venue you have pre-entered for. Please Note you should collect your bibs from your Team Manager at the home venue. If you are competing at an away venue you may collect your bib individually from AV Bib collection desk.

If you have not pre-entered, bibs will be available for collection from your Team Manager at your club's designated zone. If you attend your away venue then you will be issued with a temporary bib for that round of competition. Please contact your club to obtain your bibs before the next round of competition. *(Example. Those who have an AV Membership and T&F package and haven't pre-entered and decide to enter on the day will be issued with a temporary number for that round)*

**To make the process as efficient and effective as possible we ask that you keep a note of your bib number so that if your numbers have been misplaced we can issue you with a temporary bib for round 1.**
