The Victorian Race Walking Club is a specialist race walking club, which has been affiliated with Athletics Victoria since 1921. The VRWC is also affiliated with Racewalking Australia.

Races are conducted regularly on weekends in a traffic free environment on pathways in the Albert Park Reserve, Middle Park.

The VRWC conducts a full range of race walk events and holds regular VRWC Club Championships in the following categories. Under 9, Under 12, Under 15, Open Age, and Masters (Women 40+, Men 40+). The VRWC invites any persons new to the sport of racewalking to participate in our club events using our modified 'Club Rules'.

The club assists Athletics Victoria to conduct the Victorian Road Walking Championships. The club also assists Athletics Victoria to conduct the Athletics Australian Road Walking Championships when they are allocated to Melbourne.

Specialised coaching in race walking technique can be arranged for all levels from beginner to advanced. Qualified coaches conduct seminars.

## JUDGING AT VRWC EVENTS

All VRWC championship races are conducted in accordance with International Association of Athletics Federations (IAAF) Rules 230 and 240. Walkers competing in club non-championship races may choose to be judged in one of two ways – under full IAAF rules or under Club Rules. Club rules judge walkers on the very simple concept that the walker is walking to be best of his/her ability in a manner that does not give him/her an unfair advantage over other walkers.

### **IAAF RULE 230 – RACE WALKING**

#### ***Definition of Race Walking***

*1. Race Walking is a progression of steps so taken that the walker makes contact with the ground, so that no visible (to the human eye) loss of contact occurs. The advancing leg shall be straightened (i.e. not bent at the knee) from the moment of first contact with the ground until the vertical upright position.*

The definition is to be read in conjunction with sections 2,3,4,5,6,7,8 and 9 of Rule 230 printed in the current IAAF Handbook.

Sections of IAAF Rule 240 Road Events are also applicable to Race Walking events.

## CANTEEN

The canteen is open on all race days. Hot and cold food and drinks are available. Money from the canteen helps support the club.

Under 16:	\$20.00

## VRWC PHOTOGRAPHIC POLICY.

VRWC Committee appoints an official photographer or videographer for all official/scheduled events. These photographs/video will be published in our Social Media pages online Photo Galleries and our weekly newsletter.

- Our policy is to select photos that show walkers in the best possible light. We all know that everyone occasionally loses form and has lapses in technique – we focus on photos that show walkers walking well.
- We allow parents to take photos or videos of their own children and we allow coaches to do the same with regard to their own athletes. But we actively discourage parents or coaches from taking photos or videos of other walkers, especially those competing against their children or squad members, unless prior permission has been given.
- Finally, we react very quickly to any unknown persons attending our races and taking photos or videos of our walkers. We all know enough about the world to know that there are unsavory people out there and we want to give our walkers a safe environment in which they can enjoy their walking.

## VRWC RULES

- VRWC numbers are issued to all VRWC financial members and are to be worn in all VRWC races, along with the correct VRWC or RWV club uniform.
- Competitors must wear racing numbers on the front and back of their uniform top. If required, temporary club numbers are available from the Race Secretary.
- MP3 players and ear phones are not to be used during VRWC races unless by arrangement.
- VRWC members must wear their first claim AV Club Uniform and their current AV registration number in all Athletics Victoria championships.
- VRWC members compete in Racewalking Australia events as part of the Racewalking Victoria team and must compete in the appropriate Racewalking Victoria uniform.
- Check in for all races is in the VRWC Clubrooms, Middle Park Bowling Club Complex.
- Age groups for all VRWC races are taken from the start of the club financial year, namely 1<sup>st</sup> Oct.
- Walkers should generally register 30 minutes before the start time of their event. For Saturday afternoon events, a 1:45PM race registration cut off is enforced.

## POINTS COMPETITIONS (WINTER SEASON)

- Some races during the winter season are called Point Races. Point races include Handicap points, Actual Time points and Style Award points.
- Each athlete who is financial and has previously walked that distance or a comparable distance in the last 12 months will be given a handicap time. Points are then awarded.
- Non-members or unfinancial members will be permitted to start in these races, but will not receive points.
- Walkers competing under Club Rules are not eligible to earn Handicap or Actual Time points.

## ATHLETICS VICTORIA AND ATHLETICS AUSTRALIA EVENTS

While Athletics Victoria and Athletics Australia championships and trials may be held at Middle Park, VRWC does not handle entry forms for these events.

Athletics Victoria is the normal point of contact for all such events. In each case, there should be a specific entry form available and entries may close up to 9 days before the event. The onus is on all competitors to contact the Athletics Victoria Office or Athletics Australia office and complete the requisite entry, along with due payment, before the closing date.

As in all such cases, the details on the entry may differ from the above guidelines and the responsibility for entering rests with the competitor.

## VRWC FIXTURE - WINTER SEASON 2019

Pre entry to be made available via internet or entering the previous week at the race entry desk

**Walkers Note:** We can only allocate Handicap Start Times to those walkers who have raced over that distance or a comparable distance during the last 12 months and are **financial members**.

The Racewalking Australia Challenge is a Racewalking Australia club versus club competition. The points from the fastest competitor from each club in each race will be added and the club with the lowest points declared the winner. If a club fails to have a competitor finish in any category, that club will be awarded the same points as the highest scoring competitor. Master athletes will not be scored on their time but their age grading so all Master athletes must submit their age at entry time.
